

# PLISCH

THE TRANSMITTER COMPANY

## OUTDOOR & CONTAINER SOLUTIONS

The all in one site solution for digital linear broadcast

# PORTFOLIO

## Outdoor- and Container-Solutions

OUTDOOR CASE - SMALL POWER

OUTDOOR RACK - LOW POWER

CONTAINER - MEDIUM POWER

CONTAINER - HIGH POWER

### EASY TO HANDLE IN EVERY TERRAIN

Plisch's Outdoor- and Container-solution will fit into every environment. Our 20+ years of experience in providing container solutions, even in the most rural places stands for itself - from the freezing winters of the Bavarian Alps, to the salty winds of netherland seelides, up to the jungles of Indonesia - Plisch will meet all your requirements in full.

# Container & Turnkey Solutions

## Our solution for every requirement

PLISCH's Outdoor- & Container-solution is Turnkey at its best. This solution comes fully equipped with the latest PLISCH transmitters, GPS-Clock, Measurement-devices and also every third party equipment (on demand). The complete Unit is fully tested in PLISCH Headquarters Germany, to allow easy plug and play installation & commissioning on the final destination.

Do not hesitate to contact us for further informations or reference projects. We would be pleased to help you to achieve your goals.

## There are many individual options available such as :

- flexible dimensions
- equipped air-cooled or liquid-cooled transmitters
- fire alarm
- smoke detector
- remote monitoring
- solar panels
- pole with satellite dish
- combiner
- filter systems
